EXPERIENCE THE TASTE.

NEW YORK SINGLE MALT WHISKEY

43% ABV

Deep and rich in flavor, the specialty malts contribute notes of chocolate, pastries, nuts, sweet caramel and raisins. The maturation in “new” casks brings out hints of caramel and coconut.

Aged a minimum of 3 years in New York Oak, Char 3, Coopers select, 53-gallons independent Stave Company barrels.

Taconic's water is brought to the surface through a rich deposit of Dolostone. Similar to limestone, Dolostone is rich in calcium carbonate and magnesium. These minerals help to impart another layer of rich butteriness found in our spirits.
